Dear Language Related Research Readers,

We are delighted to announce that the November and December issue of LRR is released now. As you are aware, the papers in LRR have been published in Persian for 11 years, and from this issue onward, two issues a year will be published in English and French as well. Since 2012, LRR has been indexed in Scopus, and in the latest evaluation by the Iranian Ministry of Science, Research and Technology (MSRT), LRR has received an “International” ranking. We appreciate you all for being part of this academic journey.

The papers in this issue come from Iran, the UK, the US, Finland, Malaysia, Indonesia, and Vietnam. So, we would like to extend our immense gratitude to the contributors who have considered LRR as the venue for sharing their research findings. We also appreciate the national and international members of the editorial board, reviewers, and journal’s staff for their time and effort.

We look forward to your support and future contributions.
