

EDITORIAL

Dear Language Related Research Readers,

We are delighted to announce that the March and April issue of *LRR* is released now. As you are aware, the papers in *LRR* have been published in Persian for 13 years, and since 2020, two issues a year have been published in English and French as well. It should be noted that papers in English and French will be published in three issues from the beginning of 2023. Since 2012, *LRR* has been indexed in Scopus. The 2023 index of SCOPUS is Q2 (SJR: 0.24), and in the latest evaluation by the Iranian Ministry of Science, Research and Technology (MSRT), *LRR* has received an “International” ranking. We appreciate you all for being part of this academic journey.

We would like to extend our immense gratitude to the contributors who have considered *LRR* as the venue for sharing their research findings. We also appreciate the national and international members of the editorial board, reviewers, and journal’s staff for their time and effort.

We look forward to your support and future contributions.
