

EDITORIAL

Dear Language Related Research Readers,

We are delighted to announce that the Fall 2026 issue of Language-Related Research (LRR) has been released. As you are aware, the papers in *LRR* have been published in Persian for 16 years, and since 2020, two issues a year have been published in English and French as well. It should be noted that papers in English and French will be published in two issues from the beginning of 2026. Since 2012, LRR has been indexed in Scopus. The 2024 index of SCOPUS is Q1 (SJR: 0.36), and in the latest evaluation by the Iranian Ministry of Science, Research and Technology (MSRT), *LRR* has received an “International” ranking. We appreciate you all for being part of this academic journey.

We would like to extend our immense gratitude to the contributors who have considered *LRR* as the venue for sharing their research findings. We also appreciate the national and international members of the editorial board, reviewers, and journal’s staff for their time and effort.

We look forward to your support and future contributions.
